**Training  
Camp  
2012**

## Alaina Joins the Ranks

Although this was Alaina's first training camp, she has been helping Neakita and Jeremiah with clubs all year. Here is what she says about the training. *"Camp was so much fun! We enjoyed regular camp activities, but learning how to share Jesus with kids was the best part. I liked seeing the kid's faces light up when I told them the stories about Jesus and taught them new songs, praising God."*

We love that our children have the opportunity to learn to evangelize others in this manner. It truly

cultivates our family ministry.

We encourage you to investigate Child Evangelism Fellowship Inc.® in your own area. There are CYIA training schools all over the U.S. where your teens can learn and acquire the tools of evangelism.

Our work in Dillingham has come to an end. There is now a team of Dillingham teens doing the work. Praise the Lord! Pray that the Lord will lead us to the next village. He wants us to work in.

### Praise God:

- for good health and safety during camp.
- for all we learned.

### Pray:

- that we continue to improve in what we learned as we minister in a local school.
- that funds for village trips will come in for us.

## The Lord is Our Provider!

*"It has been a great year of ministry for me. I have learned so much doing clubs in a local school each month. The opportunities to minister in Dillingham have been fabulous. The best part is that it is a family thing for us. The kids in Dillingham are sweet and always ready to receive our attention. Please pray that they grow to give their lives to the Lord."*—Neakita

Our God is amazing and He has used many of you to provide all the funds the kids needed this last year to minister with CEF. To top it off, there was enough funds in their account to cover the cost of CYIA for all three kids this year. Thank you so very much for your generosity!

The account is now depleted. In order to be

able to travel to villages they will need additional funds. Going to a village twice a year will cost around \$800 per person.

Tax deductible checks can be made payable to CEF and sent to 43687 K-Beach Rd. Soldotna, AK 99669

Please include a separate note designating it for the Swensen account.
