Dearest Family and Friends,

July 2016

We are VERY happy to let you know that prayers have been answered and we have found a “new” place to live in Seattle! Trevor and Lindsey hoped we could be nearby, and we have found a condo to rent within 5 minutes of their house! Yeah! We will be unloading our storage units in Sisters, Oregon on July 30, and driving to Seattle to occupy our new home on August 1.

With sadness we leave our home base in Sisters, but with anticipation we look forward to a new home base in Seattle! After nearly a year in our RV, it will be fun to rediscover our “things” and spread out into more space! We’ve enjoyed fun times with family this summer.

In addition to settling into a new home, we anticipate a Sharp family reunion in British Columbia mid-August. Tammy will come from Kansas City; Trudy from Cambodia; and our boys’ families from Oregon and Washington. Larry’s sister, Carolynn, has recently retired from missionary service in Liberia; his brother Paul (Moreen) and his sister Deb (Stew) will come from their homes in British Columbia and Alberta, respectively.

Larry continues his work with **Business As Mission** activities. From August 25 through October, he already has 9 trips planned, taking him across the continent for teaching, consulting, training, and meetings. We are so thankful for health, strength . . . and an enduring support team who encourage and facilitate this work. **Thank you!!**

We are maintaining our Sisters mailing address for some months, but feel free to begin using our Seattle mailing address (below).
