### **New Year, New "Job"**

- Why? Why do I do what I do? "I believe that the number of unreached people (3 Billion) in the world who haven't heard the Gospel should, can and will decrease."
- How? How am I decreasing the number?
  1. Shepherding Third Culture Kids (TCKs) of people who are currently working to decrease the number.
  2. Mobilizing TCKs to be a part of decreasing the number
- What? What I am doing? Praying, shepherding, networking, connecting, caring, mobilizing, teaching, resourcing, training, fundraising . . .
- What Else? What are you doing? \_\_\_\_\_  
(fill in the blank). One option---partner with me to lower the 3 Billion number! See how under "new year, new resolutions!"

### **New Year, New Resolutions**

I have tons of resolutions this year—like "drink more water." Oh, I better get started! Another resolution is to add at least twelve new financial partners this year who will join me in decreasing the number 3 Billion. **Would you be one of the 12? All you have to do is go [here](#) to get started.**

### **New Year, New Prayer Tool** (new to me)

I'm using a prayer app to remind me of who to pray for and to keep track of requests! I would love to add you to my list and pray for YOU! Please send me any prayer requests! And here some ways you can pray for me:

1. To shepherd and mobilize TCKs well
2. To lead the childcare team at our Asia conference this month with joy, encouragement, humility and a servant's heart
3. To answer Camilla's questions well (my Mongolian roommate) and journey with her as she learns more about the Gospel (she joined my family for Christmas in Seattle and we had a really blessed time).

Thanks, and "Happy New Year!"
