May Missionary Highlights

The ministry of **Missionary Aviation Repair Center (MARC)** is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC also provides maintenance services to keep these essential aircraft operating safely. Because the opportunities for these services continue to expand, more missionary staff is needed. SBC supports MARC and individual missionaries Peter and Sara Bastke. Other MARC missionaries attending SBC are Kyle and Ellen Braband.

Barry and Whitney Moore are in their second year of leading a re-planting mission of Arise Ventura alongside friends and Acts 29 Church planters, Steve and Jamie Ross. The Moores joined this ministry in July in 2019, and the church was officially replanted in September of that year. Their ministry focus has been primarily pastoral support and encouragement, leadership development and intentional discipleship!

**The May Sunday School offering
is going toward relocation expenses
for Kevin and Donna Spence.**

Welcome!

We extend a personal greeting to you
as you worship with us today.

If this is your first time to visit us,
we have a special gift bag for you
at the Information Center in the lobby.

We want you to know that there is a place here
for you in worship and Bible study as well as
many opportunities for ministry and service.

If you are looking for a place to worship, and
to find fellowship and encouragement,
we would count it a privilege to be that place.

May God minister His grace to you,
Pastor John
