June Missionary Highlights

The Master's Academy International (TMAI)

Training church leaders worldwide, TMAI is a consortium of Bible training centers committed to train indigenous men to effectively proclaim the Word of God and ground believers in the truth. We are currently supporting the following seminaries and pastors:

The Pastoral Training Institute Goa, India

The Samara Center for Biblical Training Russia

The Expositor's Academy Philippines - Erwin Quimbo, pastor

Todd and Penny Beaudin are transitioning

from Cadence International in Hawaii to Military Casa in South Dakota. They are continuing the same mission which is to love service members and share the gospel with them. They teach and disciple service members to live out their faith at work and to live the gospel amongst their peers. Todd and Penny provide a "home away from home" outside the military base for active soldiers and their families which also provides a place that they can bring other service members to be loved and hear the gospel.

The June Sunday School offering is going toward materials, gifts, and other supplies for a retreat for missionary kids. Our missionary, Tammy Sharp, is heading up this retreat.

Welcome!

*We extend a personal greeting to you
as you worship with us today.*

*If this is your first time to visit us,
we have a special gift bag for you
at the Information Center in the lobby.*

*We want you to know that there is a place here
for you in worship and Bible study as well as many
opportunities for ministry and service.*

*If you are looking for a place to worship, and
to find fellowship and encouragement,
we would count it a privilege to be that place.*

*May God minister His grace to you,
Pastor John*
