**August Missionary Highlights**

**Dr. Don Nagle** is the director of Northern Light Ministries in Baja California Mexico. NLM aids in church planting and has eight active churches in which their seminary graduates intern and are placed for ministry. Oaxaca and Baja Sur are other states in which they have churches and seminary extensions. The seminary in Papalote prepares men & women to "go into all the world" and has graduated several students.

**Love INC** is a local ministry that coordinates cooperative effort between churches & community agencies to provide help for the disadvantaged. It's also a vehicle that helps churches fulfill their Biblical mandate to reach out to the poor & needy.

**Kevin and Jennifer Moos** serve with Teach Beyond in the Czech Republic. Kevin is the principal at Christian International School of Prague, whose mission is to use transformational education to reach students for Christ, equip them, and send them to be a Godly influence in our world. CISP serves the missionary community as well as the international business community and national students. While CISP is a faith-driven school, most of its students come from unbelieving families, making it a fertile ground for ministry.
