August Missionary Highlights

Dr. Don Nagle is the director of Northern Light Ministries in Baja California, Mexico. NLM aids in church planting and has eight active churches in which their seminary graduates intern and are placed for ministry. Oaxaca and Baja Sur are other states in which they have churches and seminary extensions. The seminary in Papalote prepares men & women to "go into all the world" and has graduated six students this June. Don is looking forward to sharing and spending time with us in September.

Love INC is a local ministry that coordinates cooperative effort between churches & community agencies to provide help for the disadvantaged. It's also a vehicle that helps churches fulfill their Biblical mandate to reach out to the poor & needy. **Kevin and Jennifer Moos** will serve with Teach Beyond in the Czech Republic. Kevin is the principal at Christian International School of Prague, whose mission is to use transformational education to reach students for Christ, equip them, and send them to be a Godly influence in our world. CISP serves the missionary community as well as the international business community and national students. While CISP is a faith-driven school, most of it's students come from unbelieving families, making it a fertile ground for ministry.

The August Sunday School offering is going to the new Educational Center at the Seed of Hope Orphanage in Thailand.

Welcome!

*We extend a personal greeting to you
as you worship with us today.*

*If this is your first time to visit us,
we have a special gift bag for you
at the Information Center in the lobby.*

*We want you to know that there is a place here
for you in worship and Bible study as well as
many opportunities for ministry and service.*

*If you are looking for a place to worship, and
to find fellowship and encouragement,
we would count it a privilege to be that place.*

*May God minister His grace to you,
Pastor John*
