August Missionary Highlights

Dr. Don Nagle is the director of Northern Light Ministries in Baja California Mexico. NLM aids in church planting and has twelve active churches in which their seminary graduates intern and are placed for ministry. Oaxaca and Baja Sur are other states in which they have churches and seminary extensions. The seminary in Papalote prepares men & women to "go into all the world" and has graduated several students.

Love INC is a local ministry that coordinates cooperative effort between churches and community agencies to provide help for the disadvantaged. It's also a vehicle that helps churches fulfill their Biblical mandate to reach out to the poor and needy.

*August's Sunday School offering
is going toward an addition to the
Dunn's house which will be used
for counseling, office space, and
a place for work teams to stay.*

SUNDAY, September 3

Worship Service & Communion

9:30 AM

NO Sunday School

OFFERTORY LYRICS

O The Deep, Deep Love of Jesus

*O the deep deep love of Jesus
Vast unmeasured boundless free*

Rolling as a mighty ocean

In its fullness over me

Underneath me all around me

Is the current of Thy love

Leading onward leading homeward

To my glorious rest above

O the deep deep love of Jesus

Spread His praise from shore to shore

How He loveth ever loveth

Changeth never nevermore

How He watches o'er His loved ones

Died to call them all His own

How for them He intercedeth

Watches over them from the throne

O the deep deep love of Jesus

Love of every love the best

'Tis an ocean vast of blessing

'Tis a haven sweet of rest

O the deep deep love of Jesus

'Tis a heaven of heavens to me

And it lifts me up to glory

For it lifts me up to Thee

Sermon Notes

Soldotna Bible Chapel Mission Statement

Being committed to God's inspired and authoritative Word, it is the **mission** of Soldotna Bible Chapel to **exalt** God in spirit and in truth, to **edify** and encourage one another to personal holiness, and to **evangelize** a lost world with the gospel of Jesus Christ.
